A summary is below:

Downloading the Respondus browser

- Download and install the browser using this link: [Download Respondus](https://download.respondus.com/lockdown/download.php?id=497143110)  (<https://download.respondus.com/lockdown/download.php?id=497143110>)

Taking Exams in the Respondus browser

- Close all open programs.
- Locate the “Lockdown Browser” shortcut on the desktop and double-click it. (For Mac users, find “Lockdown Browser” in the LaunchPad or your Applications folder.
- Mac users may be prompted to approve system permissions for Lockdown Browser. Follow the on-screen prompts to grant the necessary permissions.
- Lockdown may prompt you to close specific programs that are running on your computer (e.g., instant messaging, other browsers, etc.). You can close these programs by choosing “Close Applications” on the prompt message.
- The default landing page for Lockdown Browser is the My Boise State portal. Log into your account and access Canvas.
- Navigate to the test within your course and click the Take the Quiz button.
- The test will now begin. LockDown Browser cannot be closed until the quiz is submitted.

If you do not have a laptop that can use the Respondus lockdown browser you can borrow one for free, see [this link](https://www.boisestate.edu/oit/zone/equipment-checkout/) (<https://www.boisestate.edu/oit/zone/equipment-checkout/>)
